

CHILD RIGHTS PROTECTION POLICY

Children are our trustees of the future. It is our primary responsibility to recognize them as individuals, respect their rights, and protect them against all kinds of psychological, physical, commercial, etc. exploitation.

To ensure this;

- We do not allow child labor in our business and expect the same sensitivity from all our business partners.
- We provide environments/opportunities that contribute to the development of children within the business, where they can express their thoughts, wishes and feelings freely and feel free and comfortable.
- We make sure that children are under adult supervision in the activities they participate in.
- We provide trainings on the prevention and detection of child abuse in our business.
- We support all kinds of organizations and activities aimed at protecting children's rights and all stakeholders serving children.
